

Cleaning Checklist

Instructions for hosts:

Please print and complete a copy of the following cleaning checklist and post it in your space for your guests.

This will remind your guests of the COVID-19 measures you're taking and provide peace of mind during their booking.

COVID-19 Checklist

To keep you and your attendees safe during your visit, your host has taken the following Enhanced COVID-19 Measures:

Cleaning

Your host has completed the following cleaning measures:

- The space is cleaned and disinfected in accordance with guidelines from the CDC
- High touch surfaces and amenities are disinfected
- Soft, porous materials have been cleaned or removed
- A licensed professional has cleaned the space
- Bookings are spaced apart to allow for cleaning

Physical distance

To help you maintain proper distance your host has:

- Limited capacity based on state and local guidelines
- Reconfigured space to allow for physical distance
- Increased access to outdoor air ventilation
- Installed HEPA-certified air filters
- Increased access to space

Protective gear and hygiene

Your host is providing the following within the space:

- Disinfecting wipes
- Disinfecting spray and paper towels
- Disposable gloves
- Disposable masks
- Hand sanitizer

Signage

Your host displays the following signage:

- Six-foot markers on the floors in common areas
- Arrows in narrow passages for bi-directional traffic
- A checklist detailing cleaning procedures
- COVID-19 guest guidelines printouts
